

PRO*WELD™

By Nelson Fastener Systems

Slim-Line CD Welding Tool

- ▶ Restaurant Equipment
- ▶ Display Stands & Shelving
- ▶ Small Enclosure Manufacturers
- ▶ Anywhere there's a tight space!

This welding tool offers a streamline design to weld CD studs in tight locations. It has a simplified trigger circuit so the operator just presses it into the work piece to weld the stud.

The 15 ft. cable set can be configured or Camlok or Dinse weld connectors; and a variety of control connectors are available.

The Slim-Line CD welding tool uses collet inserts for welding studs sized #4 up to 5/16" and can use standard CD chucks when equipped with an adaptor CI-BC-ADPT.

Slim Line CD Weld Tool
